Customized Break Room Solutions

We offer a comprehensive list of services, including custom tailored micro-markets and complete vending services for businesses big and small. Our advanced technology includes innovative vending with multiple payment options, a mobile app, and real-time wireless reporting. We are dedicated to service excellence by providing fast and efficient response times with a more personal touch for our customers.

Solutions that will enhance your Metro Detroit break room

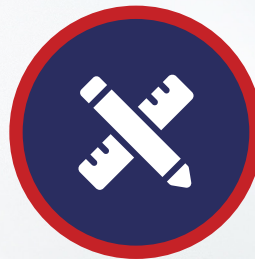

Local Experts

We are a local favorite providing top service and great quality products to you.

Exceptional Service

Serving loyal customers in the Metro Detroit Area for more than 40 years, giving us plenty of solution know-how.

Tailored Options

We work with you to decide on the right mix of services to benefit your business and place products you want in your break room.

Multi-Service Provider

We are break room consultants offering everything from office coffee and vending services to micro-markets: a one-stop-shop.

Office Coffee

Employee Favorites

From local flavors to national brands, employees will be able to create their own unique cup of coffee.

Brewing Customization

We offer everything from single cup brewers to large pot brewers for your Detroit Metro Area break room.

Local Roasters

Keep costs low & quality high with local private roasters in the Detroit Metro Area.

Break Room Supplies

At American Vending we will keep your break room stocked with the necessary supplies.

Employee Benefits

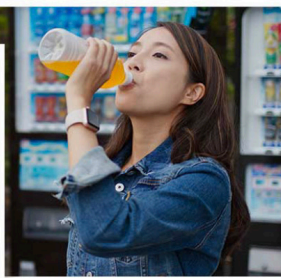

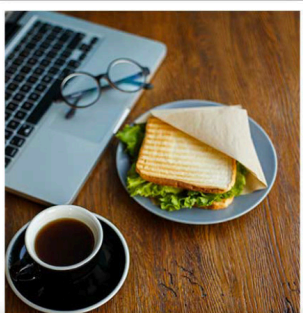

Micro-Markets

The ultimate break room refreshment experience

Impress current employees and help attract new ones with the open look and custom design of a micro-market. Enjoy around the clock access to hundreds of delicious, healthy and nutritious products, fresh foods, beverages, and office coffee services on-site that keeps them energized throughout the day.

This open market retail space requires no staff and will transform your break room into the ultimate amenity. Self-serve kiosks accept cash, credit cards, and mobile payment options and are securely monitored to ensure a safe and swift transaction.

Reward your employees with a subsidized micro-market

A subsidized micro-market is the ultimate break room companion. Employees will have access to a variety of fresh or frozen food options, delicious snacks, and refreshing beverages. Open 24/7, a subsidized micro-market is extremely flexible and allows your business to offer discounted prices on items of your choice.

Rewards

Highlight employee success, milestones, and performance within the company.

Healthy Choices

Promote healthy lifestyle choices and increase employee happiness.

Company Culture

Enhance employee recruitment and retention strategies with this exclusive perk.

Hybrid-Market

Provide some items completely free to employees with a hybrid micro-market.

Cutting-Edge Design

Leaders in placing attractive fixtures, including custom wrapping micro-markets with customer branding.

Secure Self-Checkout

Security system secured with no access points and fully encrypted payment acceptance 24/7.

Custom Selections

Completely customized with your product requests and always stocked with the latest favorites.
